

Stanton Early Learners

Brought to you by the Stanton Learning Center

We are a fun, interactive program especially designed for children 18 months to 3 years. Our purpose is to provide children with the opportunity to learn through play in the areas of socialization, music and rhythm, and story time, while still having the security of a parent or other special person near by.

Each class is lead by an experienced instructor

Classes are held every Thursday from 9:30am- 10:30am.

The cost for each session is \$50. Maximum of 10 children/session.

Session I: March 4, 11, 18, and 25 (Theme: Exploring Colors)

Session II: April 8, 15, 22 and 29 (Theme: Exploring Shapes)

Please call for a tour of our center and to meet the teachers!

For more information, contact Andrea @ 236-0917.
